SUMMARY

Motivated .NET Full Stack Developer with hands-on experience building scalable, real-world web applications using ASP.NET Core, Web API, Entity Framework, SQL Server, and Angular. Trained at the Information Technology Institute (ITI) on the .NET Full Stack track, with additional experience from ITI Summer Training and the Digital Egypt Pioneers Initiative (DEPI). Passionate about clean architecture, backend systems, and solving practical problems.

EDUCATION

Information Technology Institute (ITI) 9-Month Diploma Professional Development & BI-infused CRM, Menoufia Branch	Oct 2025 – Present
B.Sc. in CSE, Faculty of Electronic Engineering, Menoufia University - Grade: Very Good - Graduation Project: CareConnect Egypt <i>ASP.NET Core MVC, SQL Server, LLM</i> - Links: 🔗 GitHub * Project Grade: Excellent	Oct 2020 – Jul 2025

TRAINING & INTERNSHIPS

Digital Egypt Pioneers Initiative (DEPI) 6-Month Program <i>.NET Development Program</i> - Completed an intensive program covering .NET Core Web API, ASP.NET Core MVC, C#, SQL Server, HTML5, JavaScript, CSS3, and Git. - Studied Functional Documentation, Unit Testing, and Docker containerization basics. - Built a Capstone Project demonstrating practical implementation of learned technologies.	Nov 2024 – May 2025 <i>Menoufia, Egypt</i>
Information Technology Institute (ITI) Summer Training <i>.NET Development Track</i> Completed a one-month training covering MySQL, C#, Entity Framework, and ASP.NET MVC.	Sept 2024 – Oct 2024 <i>Menoufia, Egypt</i>
Information Technology Institute (ITI) Summer Training <i>Cyber Security Track</i> Studied Network Fundamentals, Ethical Hacking, Cyber Security Essentials, Palo Alto, and Fortigate NSE4.	Aug 2024 – Sep 2024 <i>Menoufia, Egypt</i>

PROJECTS

Smart Healthcare Platform <i>ASP.NET Core Web API, SQL Server, C#, LLM</i> - Built a graduation project serving 4 user roles: patients, doctors, hospitals, and medical service providers. - Implemented 3+ healthcare modules, including appointment booking, digital insurance requests, and location-based hospital discovery. - Developed a blood bank module and integrated an AI-powered medical assistant using LLM to support medical guidance. - Links: 🔗 GitHub
Expense Tracker Web Application <i>ASP.NET Core Web API, Angular, EF Core, SQL Server</i> - Built a full-stack expense tracking system with 6 core modules: authentication, categories, transactions, dashboard, reports, and profile management. - Implemented JWT authentication using ASP.NET Core Identity and secured 20+ API endpoints with protected Angular routes. - Applied 4-layer Onion Architecture and deployed the Angular frontend, ASP.NET Core Web API, and SQL Server database on MonsterASP.NET with HTTPS support. - Links: 🔗 GitHub 🔗 Live Demo
Hotel Booking System <i>ASP.NET Core MVC, C#, Entity Framework, SQL Server</i> - Developed a full-stack hotel booking system with 3 main modules: hotel listing, room management, and reservation tracking. - Implemented authentication using ASP.NET Identity and structured the application using Repository & Service patterns. - Designed an EF Core Code First database schema covering 5+ core entities, including users, hotels, rooms, reservations, and related booking data. - Links: 🔗 GitHub

TECHNICAL SKILLS

Languages: C#, TypeScript, JavaScript (ES6+), C++, Java, HTML5, CSS3

Backend: ASP.NET Core Web API, ASP.NET MVC, OOP, Blazor, SignalR, REST APIs

Frontend: Angular, React, Bootstrap, Materialize CSS, Responsive Web Design, jQuery

Databases: SQL Server, Oracle, Entity Framework Core, Dapper, LINQ, Stored Procedures

Architecture: Layered Architecture, Onion Architecture, Clean Architecture, SOLID Principles, Repository Pattern, Dependency Injection, Design Patterns

Testing: TDD, xUnit, Unit Testing

Data & Reporting: Power BI, SQL Reporting, Dashboarding

AI / ML: RAG Systems, LLM Fine-Tuning, OpenAI API, Multi-Agent Systems

DevOps & Tools: Docker, Azure, Git, GitHub, CI/CD, Swagger, Postman, Fiddler, Linux, Visual Studio

Personal Skills: Problem Solving, Collaborative, Fast Learner, Detail-Oriented, Flexible

ADDITIONAL INFORMATION

Languages: Arabic Native | English Professional Working Proficiency

Military Status: Exempted, 2025 | **Availability:** Available to start immediately

Location: Egypt, Menoufia – Ready to relocate
